

Oh Leslie (Please Stay Gold)

Oh-Oh-Oh, Leslie,
I wish I could tell you, "Life will be a fairytale."
Oh-Oh-Oh, Leslie,
I wish I could tell you, "Every boy will be a prince."
But I can't.

Chorus

And that's okay because a princess doesn't need a castle.
And that's okay because she's not a damsel in distress
A princess has a heart that's bold.
And being kind never gets old.
Oh-Oh, Leslie, please stay gold.

Verse 2

Oh-Oh-Oh, Leslie,
I must admit you really rock that tiara.
Oh-Oh-Oh, Leslie,
I must admit your princess slippers look way cool.
But remember.

Chorus

That it's okay that a princess doesn't need a castle.
And it's okay because she's not a damsel in distress
A princess has a heart that's bold.
And being kind never gets old.
Oh-Oh, Leslie, please stay gold.

Verse 3

Oh-Oh-Oh, Leslie,
a fairy godmother won't solve all of your problems.
Oh-Oh-Oh, Leslie,
a fancy carriage will only take you so far.
'Cause it can't.

Chorus

And it'll be okay because a princess doesn't need a castle.
And it'll be okay because she's not a damsel in distress
A princess has a heart that's bold.
And being kind never gets old.
Oh-Oh, Leslie, please stay gold.

Bridge

I propose that we all start the "I heart Leslie" fan club.
She's tots amaze and full of grace.
The one above will vouch for her.
